

Honouring Excellence and Outstanding Achievement
in Business & Community Participation

BUSINESS AWARDS

Business Leadership – The award honours a business that serves as a positive role model, provides business leadership and inspiration, makes a positive contribution to the community, mentorship and/or improving the environment.

Innovation – The award honours a business that displays a high level of successful innovation; illustrates vision in the development of new technologies, products and /or services, and demonstrates an ability to take risks.

Business of the Year (less than 6 employees) – Honours a business that demonstrates excellence through positive business growth, excellent customer service, and exceptional commitment to quality.

Business of the Year (6+ employees) – Honours a business that demonstrates excellence through positive business growth, excellent customer service, and exceptional commitment to quality.

New Business – Honours a new business that has achieved outstanding business performance in a short period of time, demonstrates exceptional promise for continued growth, and serves as an inspiration for other new businesses.

Outstanding Customer Service – Honours a business of any size demonstrating exceptional customer service in any of the following areas of business: purchasing and distribution, transportation and brokering, wholesale and retail trade, professional services, communications, or financial services.

Sustainable Business Practices – Honours a business that demonstrates sustainable business practices in their own operations (aside from the product or service for sale) including the use of energy efficient technology, and demonstrates how these practices benefit the regional environment. Special attention will be paid to businesses raising environmental awareness, and demonstrating leadership and commitment to sustainable development and energy conservation.

Innovative Homebased Business – Honours a business which is legally operated out of the residence of the owner and offers a unique or innovative product or service. The business may have captured a unique niche market and may have experienced, or shows, potential for significant growth.

Honouring Excellence and Outstanding Achievement
in Business & Community Participation

BUSINESS AWARDS

Business Leadership – The award honours a business that serves as a positive role model, provides business leadership and inspiration, makes a positive contribution to the community, mentorship and/or improving the environment.

Innovation – The award honours a business that displays a high level of successful innovation; illustrates vision in the development of new technologies, products and /or services, and demonstrates an ability to take risks.

Business of the Year (less than 6 employees) – Honours a business that demonstrates excellence through positive business growth, excellent customer service, and exceptional commitment to quality.

Business of the Year (6+ employees) – Honours a business that demonstrates excellence through positive business growth, excellent customer service, and exceptional commitment to quality.

New Business – Honours a new business that has achieved outstanding business performance in a short period of time, demonstrates exceptional promise for continued growth, and serves as an inspiration for other new businesses.

Outstanding Customer Service – Honours a business of any size demonstrating exceptional customer service in any of the following areas of business: purchasing and distribution, transportation and brokering, wholesale and retail trade, professional services, communications, or financial services.

Sustainable Business Practices – Honours a business that demonstrates sustainable business practices in their own operations (aside from the product or service for sale) including the use of energy efficient technology, and demonstrates how these practices benefit the regional environment. Special attention will be paid to businesses raising environmental awareness, and demonstrating leadership and commitment to sustainable development and energy conservation.

Innovative Homebased Business – Honours a business which is legally operated out of the residence of the owner and offers a unique or innovative product or service. The business may have captured a unique niche market and may have experienced, or shows, potential for significant growth.
